Detoxifier Homaccord Tincture

Traditional Keynotes:
- Multiple Vaccination Detoxification
- ADD / ADHD
- Autism / Aspergers
- Dyslexia / Learning Disabilities
- Stealth Virus
- Neurological / Hormonal Toxin
- Modulated Conditions
- Miasms
- Diabetes
- Fibromyalgia
- Chronic Fatigue Syndrome
- Allergies
- Homeoprophylaxis

**Homeoprophylaxis schedule is available on request**

Complementary Remedies:
- Echina Intrinsic
- Mycelia Intrinsic
- Olive Leaf Intrinsic
- Solidago Intrinsic
- Liver / Kidney Milieu
- Flu Milieu / Drainage Milieu
- Adrenal Life Force
- Lymphoto Code
- Spleen Chi / Temple Warrior
- MetaChlor
- Hepatagest Powder

Posology: One full dropper 2x daily, in warm water or as directed by a Health Care Practitioner

Vaccination Detoxification

The Homeopathic Pharmacopoeia Convention of the United States defines detoxifier homaccords as "homeopathic attenuations of: pathological organs or tissues; causative agents such as bacteria, fungi, ova, parasites, virus particles, and yeast; disease products; excretions or secretions." Isopathic remedies share a close relationship with detoxifier homaccords, however, they emphasize substances taken and potentized from the patient’s surround such as environmental toxins, metals, imponderables, etc. Detoxifiers presented in this section are a combination of classical homeopathic preparations in a 60 mL cobalt blue bottle (protects the remedy) which may include detoxifier homaccords isodes, sarcodes and potentized botanicals all designed to differentiate, constellate and amplify the keynote focus of the remedy. All ingredients are made from mother tinctures, hand diluted as per Hahnemann and hand succussed. Many are in multiple potencies known as homaccords to provide for the processes and patterns of homeopathic ascendency. Potentized Mesenchyme 6X, 9X, 6CH and ATP 5X are included to assist in homeopathic ECM drainage and homeopathic empowerment.

Ingredients:
- Adrenal 5X
- Arsenicum album 12X
- ATP 5X
- Baptisia tinctoria 3X
- Belladonna 12X
- Calcarea carbonica 6X
- Chamomilla matricaria 12X
- Chelidonium majus 3X
- Echinaeus angustifolia 1X
- Hydrastis canadensis 1X
- Lycopodium clavatum 12X
- Med - Syph - Psori - Tub 30CH, 200CH
- Mesenchyme 6X, 9X, 6CH
- Phytolacca decandra 3X
- Pituitary 12X
- Rhus toxicodendron 12X
- Silicea 30X
- Silicea terra 6X, 30X
- Tabebuia impetiginosa 3X
- Taraxacum officinale 3X
- Thuja occidentalis 30X
- Thymus 5X
- Thyroid 5X
- Trifolium pratense 1X
- Uncaria tomentosa 3X
- Vax 6X, 12X, 30X, 60X, 200X

**Vaccin-Tox**

**Materia Medica**

**Adrenal (Sarcode) 3X,5X** - Adrenal glands (also known as suprarenal glands); their name indicates that position. They are chiefly responsible for regulating the stress response through the synthesis of corticosteroids and catecholamines, including cortisol and adrenaline, respectively.

**Arsenicum album (Arsenic) 12X** - Is a frequently-used homeopathic substance derived from the metallic element arsenic. It is used to treat a range of symptoms that include digestive disorders (especially food poisoning), insomnia, anxiety, drainage of lymph, pain, depression and obsessive-compulsive disorder and it has been studied as a possible treatment for arsenic poisoning.

**ATP (Sarcode) 5X** - Adenosine-5'-triphosphate (ATP) is a multifunctional nucleotide and is most important in cell biology as a coenzyme that is the "molecular unit of currency" of intracellular energy transfer. In this role, ATP transports chemical energy within cells for metabolism.

**Baptisia tinctoria (Wild Indigo) 3X** - Is used to motivate the immune system in the body and has multiple uses. It is especially beneficial in curing upper respiratory infections like tonsillitis and pharyngitis, the herb is also very useful in healing contusions of the chest, gastrointestinal tract and even the skin. The anti-microbial and immuno-stimulant features of wild indigo help to fight against lymphatic disorders, eg: diminishing lymph swellings. It is also used for CFS, cancer sores, gum disease and even sore throats.

**Belladonna (Deadly Nightshade) 12X, 30X** - Belladonna with its ability as a smooth muscle relaxant is useful in conventional medicine where it is made into an anesthetic. Belladonna has narcotic effects, it is also a known diuretic and in addition, it possesses sedative, antispasmodic and mydriatic effects.; works on the circulation in the body and it is usually given in cases of the pulmonary collapse - it is also used in treating typhoid fever and many acute diseases.

**Calcarea carbonica (Calcium) 6X** - People who require this remedy are anxious, tired, sensitive to cold and tend to sweat copiously from the slightest physical exertion or when they sleep. It is used to treat slow development of bones and teeth; joint and bone pain, such as backache, slow-to-heal fractures and painful teething in children and thyroid conditions; eczema; candidiasis, PMS/amenorrhea, heavy menstruation; and digestive disorders.

**Chamomilla macractica (Chamomile) 12X** - The German Commission E considers German chamomile effective internally for gastrointestinal spasm and inflammatory conditions of the GI tract. It is used for colds/flu, nerves, fevers, muscle cramps, headaches and anti-inflammatory actions.

**Chelidonium majus (Celandine) 3X** - It has been applied topically for eye and skin problems and taken internally for bronchitis, jaundice, indigestion, Cancer and whooping cough. Celandine was approved in 1985 by Germany's E Commission as a treatment for dyspepsia. This remedy is used for liver and bile disorders, for example gallstones, indigestion, jaundice, and hepatitis.

**Echinacea angustifolia (Coneflower) 1X** - Echinacea contains active substances that enhance the activity of the immune system, relieve pain, reduce inflammation and have hormonal, antiviral and antioxidant effects. It is to treat urinary tract infections, candida infections, ear infections, athlete's foot, sinusitis, hay fever (also called allergic rhinitis & other allergic conditions), hormonal balancing, menstrual problems, slow-healing wounds.

**Hydrastis canadensis (Goldenseal) 3X** - Goldenseal's numerous uses are attributed to its antibiotic, anti-inflammatory and astrigent properties. Goldenseal is said to cleanse and promote healthy glandular functions by increasing bile flow and digestive enzymes, thereby regulating healthy liver and spleen functions.

**Lycopodium clavatum (Club Moss) 12X** - Club moss is an effective diuretic that eases bladder and kidney conditions. In this role, it is used for colds/flu, urinary tract infections, gastrointestinal problems, candida and yeast infections, Cancer, diabetes, prostatitis, constipation and allergies.

**Pituitary (Sarcode) 12X** - The pituitary gland produces hormones to control growth, blood pressure, pregnancy, breast milk production, sexual organ functions, thyroid gland and metabolism.

**Rhus toxicodendron (Poison Ivy/Oak) 12X** - Rhus tox. is mainly used to treat skin complaints with burning,itchy, red, swollen skin and a tendency to scaling, such as herpes, blisters, eczema and musculoskeletal problems, such as osteoarthritis, rheumatism, restless legs, cramps, sprains and strains. Other physical symptoms treated, for example, rheumatic fever, flu and other viral infections.

**Silicea (Silica) 30X** - Silica is used for the ill effects of vaccinations; suppurrative processes; a patient who is cold, chilly, hogs the fire, wants plenty warm clothing, hales drafts, hands and feet cold, worse in winter.

**Silicea terra (Quartz) 6X, 30X** - Is mainly used for undernourishment that leads to a weakened immune system and recurrent infections, for example, colds, flu and ear infections.

**Tabebuia impetiginosa (Lapacho) 3X** - Lapacho is considered to be astringent, anti-inflammatory, anti-bacterial, anti-fungal and laxative; it is used to treat ulcers, fevers, syphilis, colds/flu, urinary tract infections, gastrointestinal problems, candida and yeast infections, Cancer, diabetes, prostatitis, constipation and allergies.

**Taraxacum officinale (Dandelion) 3X** - Dandelion is mainly used as an aptitude stimulant, digestive aid and for liver and gallbladder function. Dandelion leaves are used as a diuretic to stimulate the excretion of urine and to support the kidneys and their functions.

**Thuja occidentalis (Thuja) 30X** - Thuja is used for respiratory tract infections and an anti-viral used in the treatment of bacterial skin infections and Herpes simplex. It is an effective expectorant & decongestant remedy and may be used to treat acute bronchitis and other respiratory infections.

**Thymus (Sarcode) 5X** - The main function of the thymus is to provide an area for T lymphocyte maturation, aiding CFS, hormonal imbalances, menopause, exhaustion and underpowered therapies.

**Thyroid (Sarcode) 5X** - Gland that produces thyroid hormones, supports healthy thyroid tissue.

**Trifolium pratense (Red Clover) 1X** - It is used as a blood purifier, to treat the nervous system and has expectorant and antispasmodic action for coughs & bronchitis. Red Clover stimulates the production of digestive fluids and bile, said to relieve constipation and help soothe inflammation of the bowel, stomach and intestines.

**Uncaria tomentosa (Cat's Claw) 3X** - Properties attributed to Cat's Claw include: adaptogenic, anti-microbial, antioxidant, anti-viral, anti-inflammatory & anti-tumor.
